

Joint Simplified Divorce (Cook County)

Instructions

You made your forms. Here's what to do next.

1. Download and print the forms.

2. Sign the forms if you have not already added your e-signature. Your spouse needs to sign or add their e-signature, too. Be sure to sign pages 3, 4, 5, and 7.

3. Make a copy of the forms for your records.

4. File or e-file your forms with the Circuit Clerk. Learn more about e-filing:
<https://www.illinoiscourts.gov/eservices/information-for-filers-without-lawyers>

5. You will need to schedule a court date. Ask the Circuit Clerk if you need to file a motion. Use the ILAO Motion Easy Form to make your forms: <https://www.illinoislegalaid.org/legal-information/motion>

6. Go to court with your spouse on the court date. Bring extra copies of your forms.

Do not file these instructions with the circuit clerk.
